The End-of-Life Nursing Education Consortium (ELNEC) Project is a national end-of-life educational program administered by City of Hope (COH) and the American Association of Colleges of Nursing (AACN) designed to enhance palliative care in nursing. The ELNEC Project was originally funded by a grant from the Robert Wood Johnson Foundation. Additional funding has been received from the Cambia, Millbank, Oncology Nursing, Open Society, Aetna, Archstone, California HealthCare Foundations, American Association of Colleges of Nursing, National Cancer Institute (NCI), US Cancer Pain Relief, and the Department of Veterans Affairs (VA). Materials are copyrighted by COH and AACN and are used with permission.

Further information about the ELNEC Project can be found at www.aacn.nche.edu/ELNEC.
